

"We would like you to join us for a questions and answers session with Hearland Hospice. They will be here here at Bickford to share information on what hospice care provides to patients and families. Many families have stated that they wish that they knew sooner what benefits hospice care can bring to their loved ones. Bickford has arranged for Hearland to be here on November 29th at 6:00PM in hopes that you will take this opportunity to get the answers to so many questions that you have been having."

Please let me know if there is anything else that I can assist with. I look forward to meeting with you Wednesday, November 29th.

Thanks so much and have a great day!

Exciting News!

Hi, My name is Kimberly White and I am the Director at Bickford of Tinley Park. I have been working with seniors for many years, starting as a volunteer during college, for being a caregiver, an Activity Director and now your Director here. I have 3 boys, 2 cats and a crazy dog. I enjoy spending time with the residents and making sure every day is special. I believe in an open door policy and making sure I help everyone here grow and make everyday special. I believe this career is a gift, where can go and make differences in the lives of so many. I look forward to meeting

everyone and being part of the Bickford Family.
