All About Christmas

Did you know...

*Christmas trees have been sold in the U.S. since 1850.

*All the gifts in the twelve days of Christmas would equal 364 gifts.

*The Germans made the first artificial trees out of dyed goose feathers.

*Coca-Cola came up with the red suit. Well, Santa wore a variety of colorful suits through the years-including red, white, and green- but legend has it that the popular image of his red coat came from a 1930's ad by Coca-Cola.

Christmas Quotes

"The only blind person at Christmas time is he who has not Christmas in his heart." Helen Keller

"The spirit of Christmas is the spirit of love and of generosity and of goodness. It illuminates the picture window of the soul, and we look out upon the world's busy life and become more interested in people than in things.

-Thomas S. Monson
