## Raytown HAPPYNNINGS DECEMBER

### Holiday Happynings

### Happy Holidays Everyone Past Month's Fun

We have really enjoyed our MIM programs and all our outdoor outings. We are still wishing for warm weather but loving the up coming holiday season!

The Costume Parade with young children of New Trails preschool, went great! Our members loved all the cute trick or treaters!

We have a lot of un events this month with the holiday season upon us. We have several different volunteer groups joining us to provide carols and crafts for the holidays! As well as two special outings to go see Christmas light displays in the evening! Please make sure to look for these and take notes of the dates!

Dec 6th will be our Winter Festival at 2pm. Jazzy Flute will be performing for us. This will be a great time to break out the ugly sweaters!

Dec. 9th is our Happy Holidays Party. We will be have a singing Santa and tasty refreshments! Wear your favorite holiday gear to create a fun festive environment for all our friends and family members!
