Featured Resident
Marilyn Davidson

Marilyn has lived in the Whitesville area her whole life, surrounded by her family. She went to Whitesville grade school and then graduated from Crawfordsville High School. After high school she went to Indiana State University where she earned her degree as a physical education teacher. Marilyn taught at Crawfordsville and South Montgomery High Schools. After Marilyn retired from teaching she started the Davidson Greenhouse right outside of Whitesville and it continues to be still owned and ran by her family. Marilyn is a huge cat lover and even has a cat in her apartment! She keeps busy everyday with joining in on activities and going out and about in the community. Wish Marilyn a "Happy Birthday" at the end of the month on the 27th!
