- 25th Karen Michaels entertains
- 26th Podiatrist
- 27th Chocolate Cake Day

There is nothing wrong with a cozy blanket!~

Winter has very few redeeming qualities. Many animals find that the best thing to do is simply sleep through it. Studies show that human beings sleep more during the winter months as well. One of the few redeeming qualities of winter is snow. There are few things more magical than looking out the window from your home and discovering those first flurries gently falling to the ground. When the snow builds up outside our homes it envelops us in a warm cocoon. The time has come to put on your warm slippers, a cozy blanket, and curl up with some hot chocolate.

## January is National Blood Donor Month

Mississippi Valley Blood Center

Give your New Year gift today!

SWEET 16-- MVRBC Sweet 16: a first-time donor gives blood on her 16th birthday when North High School (Davenport, Iowa) held its February 2010 blood drive, Reagan Washburn was just a few weeks shy of turning 16 the age when donors can begin donating blood (with a

signed parental permission form). When she did turn 16 in March of last year, there were two things Reagan wanted to do on her birthday: obtain her driver's license and donate blood for the first time. Unfortunately, the Department of Motor Vehicles was

closed that day, but MVRBC's Davenport Donor Center was open and more than happy to welcome her as a donor. An active student at Davenport North High School, Reagan is involved in Volleyball, Golf and Cheerleading. She says, "The blood center rep who came to North was very persuasive that donating blood was a good thing to do and would help many people, so I was all for it." After donating for the first time on her birthday, Reagan made an appointment for her next donation in 56 days putting her pace to finish HS as a Gallon Grad!

To schedule an appointment for blood donation at a Donor Center or to find a mobile blood drive near you, use our online scheduling system or call (800) 747-5401.

How life flows through our community
