"March of Dimes"
In 1938 March of Dimes was established. President Franklin Delano Roosevelt started the March of Dimes to fight poliomyelitis, a disease that Roosevelt himself suffered from. The March of Dimes accomplished its mission in 1955 when Dr. Jonas Salk introduced the polio vaccine. The March of Dimes then changed its focus to preventing birth defects and infant mortality.

"Happy New Years"
January 1st rings in more than the New Year; it's also the start of Hobby month. For hobbyists looking to get outdoors, flower arranging is now à la mode. Arrange flowers by color, size, height, and shape to create the perfect bouquet. The Japanese even have a name for their tradition of artistic flower arrangements: ikebana. Maybe you should add a new skill or hobby to your list?

Martin Luther King Day, a Federal holiday in the United States, commemorates the birthday of civil rights leader and nonviolent activist. Celebrated the third Monday in January, it usually falls within a few days of his actual birth date of January 15.
