FEBRUARY

## News You Can Use!!!

Here we are in February already. The month of January just flew by! We had our first real taste of Illinois winter for the season and had some snow fall that made everything white and beautiful. We fought off some illnesses. Now everyone seems to be on the mend, we are excited to start off February on a happy and healthy foot. We have some big celebrations coming up this month with Ground Hog Day starting things off, then the Super Bowl just after that and Mardi Gras and Valentines Day back to back.

We have the Chinese New Year midway through the month and we celebrate the Office of the President past, present and future towards the end of the month. We have some exciting entertainment this month with the Greenleafers coming in on the 10th of February to help us get in the Valentines Spirit and on the 22nd Dallas Stamberger is coming in to perform for us live!

We will have several birthdays in February to celebrate as well. Happy Birthday to all those born in February!

## Photos, Captions and Important Dates! Photo From January!

**Top Right:** Our very own cool cat, Karen, showing off her crazy cat from Hat Day. One of Bickford's Pearl's Passions Theme Days.
