

As our family grows here at Bickford, I may change activities according to our residents likes and dislikes. Weekend activities may change due to volunteer availability. If you would like to lead an activity or know friends or family members who like to contribute their time during the weekend, please let me know (Rene - Life Enrichment Coordinator).

High School students who are looking for Community Service Hours for graduation and or for the Community Service Award, please call us and we can set up hours - There are weekend and evening hour available.

Special Fun Days will be added to the Activity Calendar throughout the month.

Happiness in our Home

Welcome Denise & Leonard!

New Beginings

Hello my name is Denise Fitzpatrick. I am your new Housekeeper. I am happily married for 23 years and have 2 sons. My older son graduated from college in May and my younger son is a freshmen in college. I enjoy decorating. I have worked as a Physical Therapy Technician, Supplement Aid, Activity Aid and had various Housekeeping positions. I am a team player, dedicated and outgoing. I enjoy meeting new people and finding ways to help everyone have uplifting experiences.

My name is Leonard Masson. And I am very happy to say I am the new Maintenance Technician. I have a girlfriend named Heather. We have been together for 7 years. I support all Chicago sports teams, including both the Chicago White Sox and the Chicago Cubs. I enjoy traveling and composing music. I hope to publish my music some day. I am a friendly person who likes to meet new people. I have realistic goals and even bigger dreams.

Hi, my name is Debi. Thank you for allowing me to become part of the Bickford Family. I enjoy being here. I was raised in Berwyn and raised my children of which 3 live in Plainfield. I currently live in Carol Stream with my husband Paul. We have 3 children and 6 wonderful grandchildren. Before coming to work for

Bickford, I owned my own catering company. I enjoyed it but I needed more interaction with people. I studied at Le Cordon Bleu which is the largest school in the world for culinary and hospitality studies. Julia Childs is one of my favorite heroes. In my spare time I enjoy playing Bingo and spending time with my friends. I also enjoy volunteering for many different causes at local food pantries and helping with my church. I am looking forward to having a cooking class for everyone once a month to showcase my many different culinary delights.
