*Who Was St. Patrick Anyway?*

St. Patrick was a British bishop who was the first to bring Christianity to Ireland for nearly 30 years, preaching the religious values of Christianity. It is said he used a shamrock, the three leaved clover, to explain the Holy Trinity to the Irish people. To this day, St Patrick is highly revered in the Irish church.

"The air is like a Butterfly With frail blue wings. The Happy Earth looks at the sky and sings."  
-Joyce Kilmer
