Service for Ash Wednesday with St. Elizabeth Ann Seton

Hello from Kim,

Warmer weather is upon us and I'm very much looking forward to our Garden Club getting together and picking out flowers for our courtyard. Remodeling is still occurring in our branch as the bistro area in the dining room are being updated. We will be getting new furniture for the branch on March 26th. The old furniture and paintings will be auctioned off first to the bfms and then to families. We are very excited for the new look.

I would also like to welcome our new RNC Shenita Lyles, She is already gotten to know a lot of the residents and families and we are all very proud and lucky to have her in our branch. Nicole our overnight nurse is now our back up RNC in the branch. These two ladies will definitely make a power team. Mallory who was a CNA in the branch is now a floor nurse on our overnight shift and we can all sleep easy knowing that she will be there. I am looking forward to family night to introduce to you these BFMs in their new roles.
