

Come hang out with us on Thursday, April 12 for a FUN day of Sailing the Open Seas! Here's a little hint to what we will be dressed up as that day <----- Can you guess who will be who?! You won't want to miss it! Lunch will be a theme meal, and as always delicious! So if you can make it, let us know and we'll reserve you a seat :) Even if you want to come for your lunch break, we'd love to have ya! Let us know by email, robin.wike@enrichinghappiness.com if you want to stop by at anytime that day. We'll make sure you're accounted for :) Whooo hooo!!!

Thank you for 10 Years @ Bickford!

We'd like to introduce you to Janet Hunt. Janet is one of our 1st shift LPN's. We'd also like to congratulate her for being with Bickford for 10 years this April! What inspires Janet the most is her faith and being the person that God wants her to be. She loves helping the elderly live their healthiest and being able to make them happy. A few fun facts about Janet, her favorite color is red, she loves pasta, her

favorite movie is Dirty Dancing, she likes the Beegees, and watching Tom & Jerry. Janet is the most proud of raising her children & watching them succeed in their lives. When asking her if she had any hidden talents, she said no, but her son believes that she's good at kayaking. Janet is very compassionate & caring. She also described herself as shy, but I don't buy that! To me & the other girls here, she has always been "Mama Janet" :) We sure are glad we have a gem like her. Happy Bickford Anniversary!!!

Hippity-Hop into Spring!

Oh, Spring! Can you find your way quicker? Cabin fever has set in, and we are making plans to grow our own plants and flowers to enjoy this summer season. Stay tuned! March was an eventful month! Cindy and Robin attended the annual Illinois Pioneer Coalition Summit in Springfield, IL and were proud to represent Bickford as one of few organizations already practicing resident-driven care. We are so proud to be here with you!

We will be adding a few new BFM's to our caregiver troop! I'm happy to have Tammy McCoy on board for our evening shift CNA. Let's all help her feel at home :) This month we will be giving some focus to improving the inventory and needs process, as I know there has been light confusion across the board. Don't be afraid to let us know what's not going right! :) I follow up on each concern a family brings me and happy to look into the next concern! Stay happy everone! Sincerely, Robin Wike

Happy Easter!!
