

Parkinson's Support Group

A valued step toward handling the challenges of a loved one's Parkinson's is connecting with others in similar situations. Our support group will give you the opportunity to learn from family members who have been in your shoes. In addition to receiving encouragement and hearing personal experiences, you can also learn what to expect and how best to plan for your loved one. A support group can reduce stress and feeling of uncertainty—helping you to carry on.

April 10, 2018
10a-11a
