*April showers bring May flowers!*

Happy Spring!  
 We are so excited to see the snow has melted and waiting for our tulips to bloom. Now that we are all use to day light savings time it is nice that we are not ready for bed at 6pm! We are enjoying longer evenings with friends watching movies and enjoying fresh popcorn, or playing a board game in the bistro. Warmer weather also allows us to venture out more to go restuarants, goshopping and other fun activities.

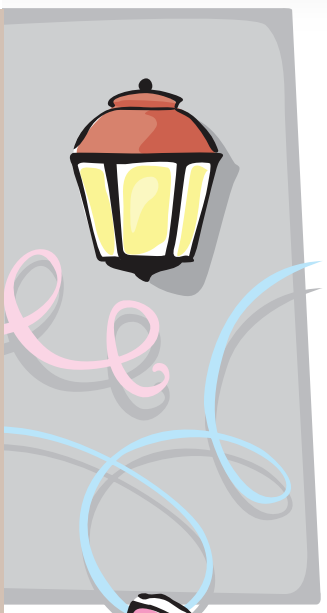

St. Patty's celebration was fun and we all enjoyed the McNulty Irish dancers those childre are sure talented. *(photo top left: Arlene found a golden coin in her Lucky mix)* Sassy Seniors singing group came to entertain us and invited Jay to join the group. *(photo: top right)* Garden club is busy preparing for our spring planting. We have begun this year with herbs. Basil, parsley and oregano have already begun to sprout. *(photo:: bottom center: Jean and Arlene in the Green Thumb club)*

*From our RNC's desk,*

Hello everyone!  
 My name is Shenita, but that's a mouthful so I prefer to be called Shea....like the butter or the stadium. I am the new RNC for Bickford of Crystal Lake. I am excited to have the oppourtuny to work with you and your families. While I dont have many years of experience as a nurse I have been a care-giver in some capacity for many years. I have worked as a toddler teacher, a CNA and now a nurse. I have two bachelor's degrees. One in psychology and the other in nursing.

Nicole is my back-up RNC. She has worked in this Bickford branch as a CNA, an LPN taking care of your loved ones overnight and now I'm thrilled to have as my partner in crime. We are well on our way to meeting and exceeding your expectations for care. Please say "hello" and introduce yourself to us if you haven't already! I look forward to meeting everyone and hopefully I can enrich your happiness as muchs your loved ones have already enriched mine. Stay tuned and stay blessed. Shea
