Spring has sprung!
 We are so happy to see the sun and the grass here in MN. It felt like a really long winter. Over the last month we have enjoyed the beautiful snow but it has worn out it's welcome. April will be a fun months. We have added 2 new music acts this month. (A piano player duo playing during lunch and a Piano player on a Saturday) We will be having a few of our favorites back as well. It is also starting to get nice enough to go for walks. I will try to take the residents who are interested for a walk outside

weekly. We will be going to the movies twice this month and maybe even a walk to Aldis if it gets nice enough. We also Welcomed our bus Howie this month. He has brought many smiles to our Bickford family and we will continue to do one outing a month. (Two if we can get out to walk some weeks) If you have any questions involving activities, please feel free to ask.
