1st Prize
2nd Prize
3rd prize

Everyone is Welcome

When You Garden, You Grow!

Every April communities, organizations, and individuals nationwide celebrate gardening during National Garden Month. Gardeners know, and research confirms, that nurturing plants is beneficial at any age because it:

- Is an enjoyable form of exercise
- Increases levels of physical activity and helps mobility and flexibility
- Encourages use of all motor skills
- Improves endurance and strength
- Helps prevent diseases like osteoporosis
- Reduces stress levels and promotes relaxation
- Provides stimulation and interest in nature and the outdoors
- Improves wellbeing as a result of social interaction

Please Join US...

Easter reminds us that hope and faith are rewarded, that miracles happen, and that love is at the heart of everything good.

And maybe more than anything, Easter shows us how beautiful life is...

And for me, part of what makes life so beautiful is knowing special people like you!

Happy Easter!
