

With the warmer weather approaching, we will be adventuring outside. Taking walks and going on more trips. Many of you have asked for more entertainment. I am in contact with a Talent Agency to bring in new shows and new talents.

Families & friends are always welcome to enjoy our activities along with your loved ones.

If you have any suggestions on places you would like to visit, please do not hesitate to let Rene (Life Enrichment Coordinator) know.

April 2018!

Hello Everyone!

We will be having our Quarterly Family Council Meeting on April 19th at 6:00PM.

For April as the RNC (Registered Nurse Coordinator) here at Bickford, I would like to invite families to participate in two exercises for Dementia, a Virtual Reality Tour (VRT) and a written Exercise. The VRT can give you as the family an understanding about what your loved one with Dementia may feel when the area around them is confusing/noisy or if they cannot follow instructions. The written Exercise is an emotional journey

into your thought process and could bring your emotions to the surface. Please, understand that I do not do this exercise lightly. I would like you all to understand Demetia and I found both of these exercises enlightening to me.

Nancy
