Spring Joy!

Finally- we're able to get out and enjoy the Courtyard! It was a LONG winter!! Snow in April!!!

If you are in the area, please join us for a lemonade in the Courtyard!

Our construction continues! We are completing the siding, the kitchen has been upgraded, tiled laid, etc..

Again- we hope to have Grand Opening news shortly!!

Each month we have Angel Works (a State Funded Agency) visit our Branch. Angel Works clients are Disabled Adults. Their visit typically consists of a fun activity- bingo, bowling, balloon volleyball, etc..

Bickford-Blondo has Angel Works as our Community Outreach Program. We learn from them- and we enjoy sharing our history and work experiences with our new friends.

Bickford loves incorporating your loved one's history into each service plan. We ask that each family complete a "Life Song". This is paperwork that tells our staff about things that were meaningful to them prior to moving into Bickford. This helps us know how to best relate to your loved one and how we may personalize activities that will bring joy to them! Please check with the office to make sure that paperwork is finalized.

God Bless America

Bickford Blondo wishes all our friends and family a terrific Memorial Day!

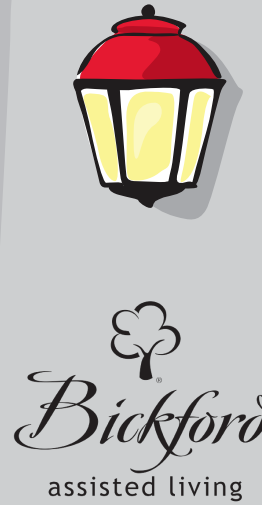

We are so blessed to live in a free country. Thank you to all our Veteran's, our current military men and women, and all the families who sacrifice for our freedom.

God Bless the USA!

If you plan on taking your loved one out over Memorial Day, please let us know in advance so that we can have their medication prepared. Thanks so much!!
