## Resident Spotlight

### Wally Kraft

Wally (pictured left) grew up on a farm near Karlsruhe, ND. He and his brother helped his parents with all the farming chores until he moved away from home, and was drafted into the Army. He served in the army for 2 years stateside. Wally was very athletic. He played baseball in highschool, boxed in the army, and golfed throughout his life. In 1972 he bowled a 300. He was an avid hunter, excellent marksman, and had a nice gun collection. In 1961 Wally married Helen Halvorson.

Wally and Helen had 3 children, Mike, Pam, and Nicole (Coco). They had 6 grandchildren, and 3 great-grandchildren. The couple were married 2 months shy of 50 years when Helen died of ovarian cancer in 2011. In the 60's Wally got his pilot's license. He flew a small plane giving tours in North Dakota, and was also a crop duster. During his flying days he would fly his 3 children to see their grandmother 80 miles away. Wally drove a semi and hauled cars and trucks to dealers until he retired in the mid 1990's.

Wally is the kind of person who can fix anything and rebuild just about any motor.
