## **Virtual Dementia Tour**

**June 19th at 1:00-5:00pm**

During the Virtual Dementia Tour, trained facilitators guide participants through common everyday tasks and exercises while outfitted with patented devices that alter their senses. The tour enables caregivers and family members to experience for themselves the physical and cognitive challenges those with dementia face. The program is designed to educate and sensitize anyone who interacts with seniors to help change the way we care for our loved ones with dementia. Light refreshments will be served.

**Please RSVP before June 15th with Jenny Do.**
