Month of Honoring

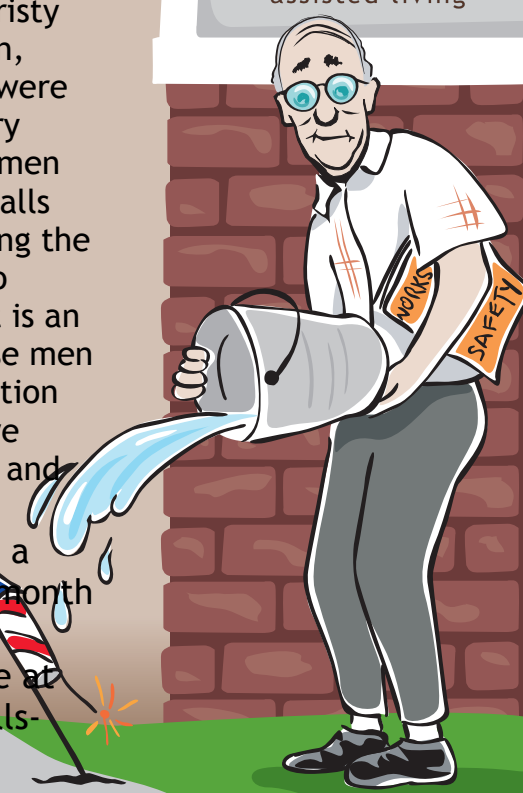

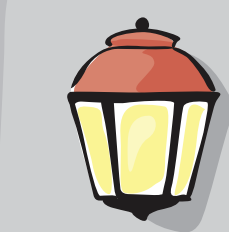

July!!! The month of red, white, and blue. A month we fly old glory and remember back to the very beginning of our great country.

Here at Bickford Cedar Falls we take patriotism very seriously. We believe our country was founded on the belief of freedom and equal rights for all citizens. And we lift up all those who made it possible. The ones who gave service, and even their lives for our freedom and home. When we received this framed piece of Mary Bickford's husband and son's military pictures,

we decided to do something special to honor these men, and the men who live here at Bickford Cedar Falls. Mary's husband, Christy R. Bickford, and son, Ralph N. Bickford, were hero's of our country along with the ten men of Bickford Cedar Falls (with the tenth being the memory of one who recently passed). It is an honor to place these men in a prominent position in our home, and we hope you come out and take a look.

We hope you have a safe and grateful month of honor. From all of us here at Bickford Cedar Falls-Blessings
