As you can see, our bus Howie is on the move a lot in August. We share the Howie with our Maplewood branch and have it every other week. If you have any suggestions for trips please let me know. We do spontaneous trips some times as well that are not on the calendar to just get out. In the fall I do plan on a trip just to drive around and see the fall colors.

We would like to welcome some new faces to our building this month. We have really enjoyed getting to know you over the last few weeks!

Judy, Deanna, Joan, Helen and Jean

I would like to say thank you to all who came to our benefit for MS. We raised \$352 and we could not have done it without you. 100% of the money will be donated.
