

### Last Month's Happynings

*Favorite Arts & Crafts!*

*Wild Life and & Ice Cream!*

For Independence Day, we visited Missouri Town 1855, and enjoyed watching a herd of Bison! We also took a trip to Longview Lake this month, and although the weather was a little rainier than we had hoped, we had a great time driving around, and seeing all the geese! We're looking forward to another trip to the lake this month!

We cooled down with some sweet treats this month, adding Tuesday Ice Cream Socials to our regular summer calendar - a resident favorite!

### August Fun!

New Performers:

- Augst 3rd: Come enjoy a picnic at Longview Lake! We'll pack a lunch and find a shady bench to sit at and enjoy the scenery!
