

You can always catch us on the go!

### Newsletter

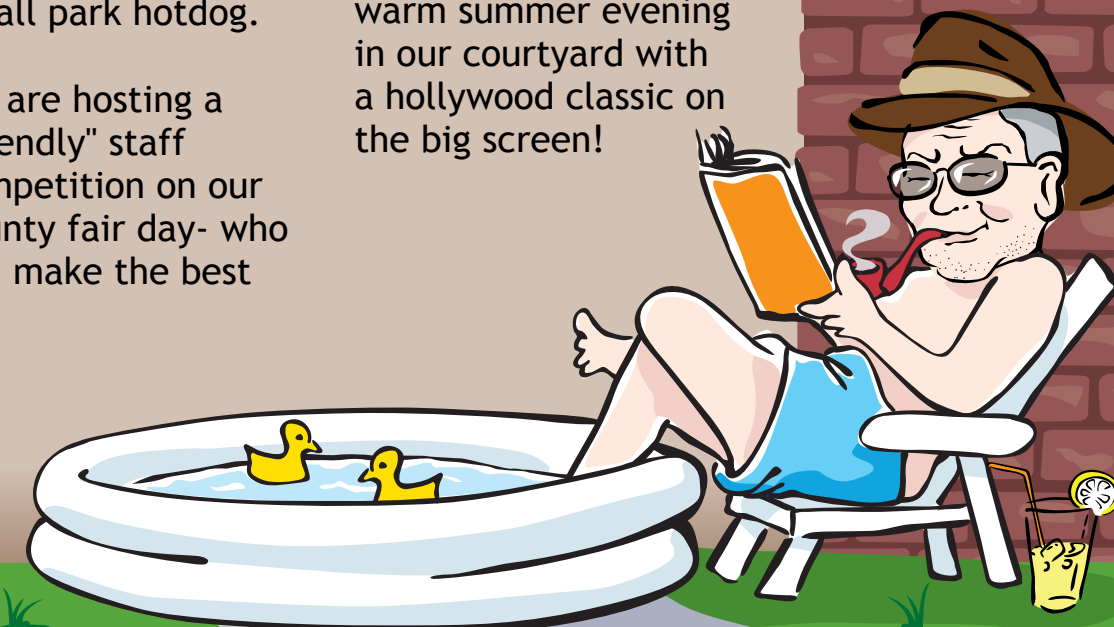

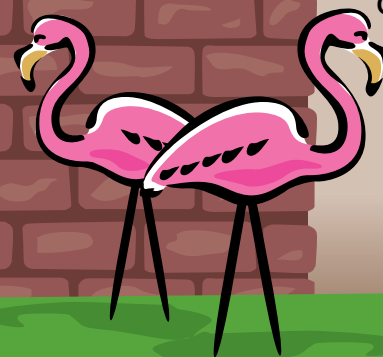

This summer is going by way too fast! Since there's no way of stopping it, we must jam pack our calendar with fun activities!

pie? We've already had some big talkers saying they will win the competition, but our residents will be the judge of that!

First thing I want to highlight is the Kernals baseball game early this month. We have tickets to watch the baseball team strive for a "W" while we sit back and enjoy a ball park hotdog.

What's summer without a drive in movie? We are going to set up our own backyard movie theater on our Hollywood day. We will enjoy one more warm summer evening in our courtyard with a hollywood classic on the big screen!

We are hosting a "friendly" staff competition on our county fair day- who can make the best

# August
