

Resident of the Month: Sharon Zehnle
 Sharon came to Bickford about a year ago, and she was quite ill and admits she was not very happy. But due to prayers of many friends, good doctors, and the WONDERFUL staff here, she has come a long way. Sharon is 73 years old and a widow. She has been a widow for 16 years from her high school sweetheart, Bob. She has one son named Brian, who lives in Kansas City. She retired from Blessing Hospital after 44 years. Sharon then became a volunteer at hospice. Sharon enjoys singing at church, going out with my friends, reading and now she enjoys talking and listening with the residents. She likes helping them get adjusted, just like she was. She really enjoys her life at Bickford!!
