Striving for 5!

How can it possibly be August of 2018! Time certainly is flying by when you are having fun!

It is the time of the year that we are looking forward to our Annual Happiness survey, which will be going out around the end of September 2018. We are striving for 5 this year! What does that mean? Well that means that we have met or exceeded the needs of your loved one! If you are not comfortable with giving us a 5, I personally would like to meet with you

to see how we can do better! This survey is more indepth than the monthly happiness checks, and only one survey goes out per resident. If you are the POA you will be the sole survey receiver. In order to ensure we have the correct information, we will be reaching out to everyone in the coming weeks.

Thank you for allowing us to care for your loved one!

 Director

Arnie enjoys his time during "evening car rides." We like to drive out in the country and see all the animals
