Summer's end... Fall begins

What an amazing summer we have had. Beautiful weather, flowers and gardens thrived and friendships and fun were had by all! Looking forward to changing colors in our courtyards and many more beautiful days to spend outdoors. Our September activity schedule is plentiful. Be sure to check out all the exciting family events planned along with outings and indoor fun. Please join us! You are always welcome to enjoy a meal with your loved one, there is a charge of \$6.00 per guest.

Please provide a 24 hour notice to confirm attendance. Guests will join their loved one in the bistro for those special visits. We will be administering flu immunizations the first week of October for our residents. Please be considerate of our Bickford family not to visit if you are ill as we are taking precautions to keep your loved one healthy during the flu season. Reminder to mark your calendars for our family fun nights, along with your loved ones we enjoy seeing you here!
