## Welcome:

Residents: \*Mary Birkey

We are so happy to have you as part of our Bickford Family.

\*\*\*we are so happy to have you back.

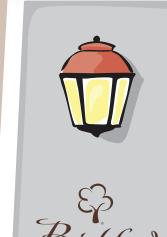

## Happiness is our key!

We are so excited to have our annual Happiness Survey going out to the primary contact this month. We are striving for 5 this year! The way we look at happiness is if you are EXTREMELY satisfied with your stay here at Bickford of Fort Dodge, you will score a 5. We score by top box scoring, meaning we only count the 5's. This does not mean that we are not interested in those who do not feel a 5 is deserved. On the contray, this data will help us to better focus on the areas of least happiness.

I know this can be quite confusing! I urge you to visit with your loved ones, and other family members. Perhaps they can also provide input, even though they are not specifically sent the survey. Once all of the scores are tallied, we will be hosting a core imporvement family meeting in November. the date is TBA, however we would love to see as many of you as we can.

Thank you all for sharing your lives with us, it is truly OUR HONOR!!!
