Director's Desk

National Assisted Living Week is the 2nd week of September! We wanted to celebrate and give a special shoutout to all of our BFMs and thank them for all they do for our residents! We do not know what we would do without you guys! You do not always get all the "thanks" you deserve on a daily basis, but we hope you know how much you are appreciated!

It is already coming up to that time of year again for our annual Happiness Survey check... Wow has this year been flying by or what?! We are always striving to get better for our residents, but please continue to let us know what we can do to be the best we can be. We always want to STRIVE FOR FIVE! We would love to not just be average, but go above and beyond for our residents. All FIVEs are always our goal because in the end your loved one's happiness is the most important thing in all of our hearts.

Also, we are sponsoring the Alzheimer's Association and have a Bickford Walk Team for the KC Walk to End Alzheimer's in October. Please ask for Nicole to see how you can walk and donate to the cause!
