

A month filled with a county fair, fundraising, and a Hollywood day!
Field Trip to John Deere Museum *Fair/Hollywood Day*

We visited the John Deere Museum. Deere employed several of our residents, like Don, pictured below, who worked there for over 30 years. It was a fun time seeing all the tractors. There were lots of memories revisited on that day!!!

Carol, our blue ribbon winner for photography!

Kathy Timmer was the blue ribbon winner with her beautiful flower display!!!

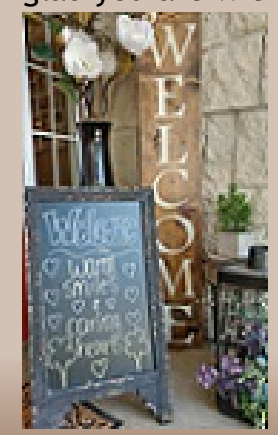

Hollywood Fun Day!!!

Welcome to Bickford

Greetings, Have you noticed all the new faces lately? Our home is coming alive with new family members being welcomed here at Bickford Cedar Falls. The first Bickford was created for Mary Bickford. From her legacy a beautiful tree sprang forth, continuing on to enrich the happiness in the lives of others. Our BFM's are dedicated to work individually and collectively to do whatever it takes to enrich this happiness in everyone who lives in our home. Our purpose is our residents. We know nothing can replace home, and here at Bickford we don't ask you to give up your home, your treasures, or your memories.

Instead, we want you to bring these pieces of the home you love into ours and make it yours. We are always here to make this the best experience of your journey. This is your home, and we are delighted you have chosen Bickford to live. The friends you make, the experience you have, and the memories you catch, are treasures that we are honored to be a part of. Welcome to Bickford Cedar Falls. We are so glad you are with us!
