

MEET OUR NEW CHAPLAIN: Alan Rabe

Alan grew up in Payson, Illinois and has returned to the Quincy area to retire. Alan was a Professor and the Dean at Hope International University in California prior to his retirement. Alan has been married for 53 years to his lovely wife and they have two grown children. Our chaplains are available for support, assistance, intervention, counseling etc to all residents, Bickford Family Members, and their immediate family members. Our chaplains also provide devotions, worship service and Men's club.

BEAUTIFUL SMILES!!!

FLU CLINICS

Flu Clinics will be held Tuesday October 2nd and Wednesday October 3rd for all residents and staff members.

You cannot get sick from the vaccine because the virus in the vaccine are not live.

One of our nurses will give the vaccine to each resident. The nursing staff will be providing these shots in the privacy of each resident's apartment.

To prevent the flu from spreading always practice good handwashing, cover your mouth when coughing, and if you are sick or have been sick please stay home.

Each flu season varies and can affect people differently. Getting the annual flu vaccine reduces the chance of getting the flu and spreading it to others.

I will have consent forms for all of the residents. Stop by and sign a form or you can call me and give me a verbal permission. Any questions, you can call Chris @ 217-228-0800
