

Family FaceTime

Does your loved one have family or friends out of state they would love to visit?

We would love to help set up a time for your loved one to Facetime or Skype someone out of state.

We recently recieved a donated Macbook desktop computer from a gracious Bickford family member and we are eager to put it in use!

If you are interested or know someone who would be interested, please contact our Life Enrichment Coordinator, Kylie, to schedule a time or have any questions.
