*Welcome our Newest BFM's*

**FAMILY BLOCK PARTY**

A huge thank you to everyone who joined us for this event & to our Sponsors as well!

*10 years of Enriching Happiness in Oswego*

We welcomed our first residents 10 years ago this month. Only a handful of residents moved in that first night. One of them was Bill Keeline who had carefully selected his apartment and watched and waited throughout the building process. Over the years we have welcomed so many wonderful residents who have made our branch their home. They have filled our branch with lots of laughs and fond memories that we all have enjoyed.

We have also had the pleasure to meet and work with loving families and caring Bickford Family Members which is one of the many things that make our Oswego branch a very special place to live and work. We are incredibly happy and proud to be celebrating a decade of Enriching Happiness here in Oswego.

Please join us Saturday, September 15th from 2:30-4:30pm
