

We will be partnering with Waubensee College and their cna/nursing program for the first time this semester. They will be accompanied by an instructor during clinical time here at Bickford as well as our cna's to learn our culture and environment here at the branch. Students will spend majority of their clinical time learning in Mary b's. All students have been through similar hire process as our new bfms with background and physical requirements. This will be a new experience for both the students and our branch, we look forward to making it a positive one. I will have a picture of the students up with names for recognition. Please see Cindy or Simone with any questions you may have.

## 10 Year Anniversary Celebration

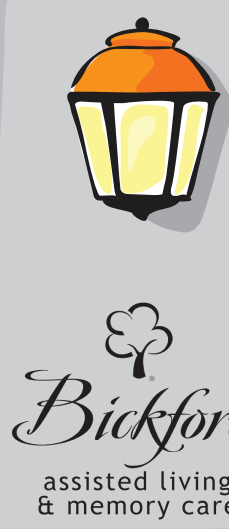

We had a wonderful time at our 10 year celebration. Look at the pictures of our stars on the "Purple Carpet" as they entered. Thank you everyone who joined us. We look forward to the next 10 years.

### October Happynings

Once again October is here, which means so is our annual Door Decorating Contest. Each October we encourage our residents and their families to have fun decorating their doors with a Fall or Halloween theme. Decorating starts on Saturday, October 6th and goes until Sunday October 28th. Voting will be Monday and Tuesday, October 29th and 30th. First, Second and Third Place winners will be announced on Halloween.

Another favorite tradition in October is our Trick or Treat. Families and the community are invited to trick or treat the halls here at Bickford. As in the past few years, our trick or treat will be the night before Halloween, Tuesday, October 30th from 6-7:30. Its always a treat for everyone to watch the halls fill up with adorable and creative children in their costumes.
