*We Are Family!!!*

Many people from around the world have come to this land. Unless you are Native American, your ancestors came here as immigrants. It doesn't matter how they got here, it is where they landed. Our country was founded on a melting pot of cultures, beliefs, and ideas.

Here at Bickford we take family very seriously. We do not care where you are from. Here, we are a mix of all kinds of people who call Bickford, home. And once a Bickford family member...always a Bickford family member.

This October we will be celebrating families. On the 12th we will be having a family history day, highlighting our ancestor's countries of origin. We have folks from Germany, England, Norway and many more global places. Come on out and join us as we celebrate these rich cultures and heritages.

We will round out the month with our world famous Halloween party. This will be a special night of family fun.

Thank you for being a part of our family. It is an honor to say, "We are Family!"
