Anyone who stops learning is old, whether at twenty or eighty. Anyone who keeps learning stays young. The greatest thing in life is to keep your mind young.

Gurnee **HAPPYNNINGS** NOVEMBER 2018

Taking a Look Back at October

The Botanic Gardens & Oktoberfest

Our trip to the Botanic Gardens was beautiful to say the least! With our own personal tour guide, we explored at least five gardens ending our tour in the Rose Garden. Thank you again to all the family members that came out and assisted with this trip.

Our Director, Jane-----> celebrated her birthday in her dirndl and birthday sash as we made homemade pretzels and danced the chicken dance!!!

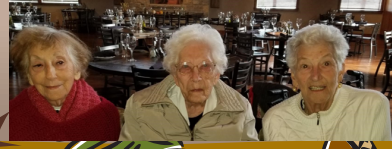

The Shanty & Family History Day

Family History was filled with laughter and tears as we learned about each others history. Our Residents were able to make Family trees with their loved ones and shared something special.

Our first Restaurant trip this month was to The Shanty, were everyone was pleased!!!
