HAPPENINGS

OCTOBER

October 2018

October is National Fire Prevention and Safety Month. We like to think of our homes as a safe haven. However, it is really important to take some proactive steps in order to maintain fire safety on a daily basis.

We are including some helpful hints and reminders to help keep your home and family fire safe from fires:

1. Install smoke alarms on every level of your home, and check the batteries monthly.
2. Unplug appliances when not in use.
3. Make sure there is ample space (3 feet minimum) away from portable space heaters.

4. Position appliances carefully (ie: away from curtains and water sources).

5. Don't overload circuits or extension cords, as this could cause overheating.

6. Install a sprinkler system; it may lower your insurance rates.

7. Create an escape route and practice it with your family from every room in the house (Here at Bickford, we practice regular fire drills so that we are prepared in the event of a real fire.)

8. Be careful around the holidays, dispose of any decorations with frayed cords.

9. Clean dryer vents after each use. Stay safe and enjoy a beautiful fall season!

"It must be October; the trees are falling away and showing their true colors." ~ Charmaine J Forde

Musical Entertainment by Jory:

Residents-get your family photos together to share with us on Family History Day!

We look forward to seeing residents' Halloween Costumes!

We had a good turnout for our Palliative Care Seminar' with Unity!

VIP's in the house!

Mary B's took a ride to the Orchard! We had lots of laughs!

Tie Dye Fun!

Flu shots will be given this month! See your nurse for a consent form!
