Spotlight On!

Eugene Zarecki was born in Detroit Michigan. He finished school after he married his wife Ruth, and had been in the Marines during WWII. His wife helped him study. He was a very dedicated student who worked hard to advance after WWII. He worked in computer aided design where he was a draftsman, as a

senior designer until retiring in 1986. Ruth and Eugene had 4 children, Kathleen, Phil, Matt, and Gabrielle. He was blessed with 9 grandchildren and currently has 6 great grands. a special memory he holds dear is the Christmas eve where Grandpa Chowanec played santa and his kids opened gifts. He used to even ballroom dance! If you have a chance grab a seat next to this interesting guy at lunch and pick his brain. We promise you wont regret it!
