Christmas Fun facts!

-The image of Santa Claus flying his sleigh began in 1819 and was created by Washington Irving, the same author who dreamt up the Headless Horseman.

-America's first batch of eggnog was made in the Jamestown settlement in 1607. It's name comes from the work "grog", meaning any drink with rum. Non-alcoholic eggnog is popular as well.

-If you gave all the gifts listed in the Twelve Day of Christmas, it would equal **364 gifts!**

-Tinsel was invented in 1610 in Germany and was once made of real silver.

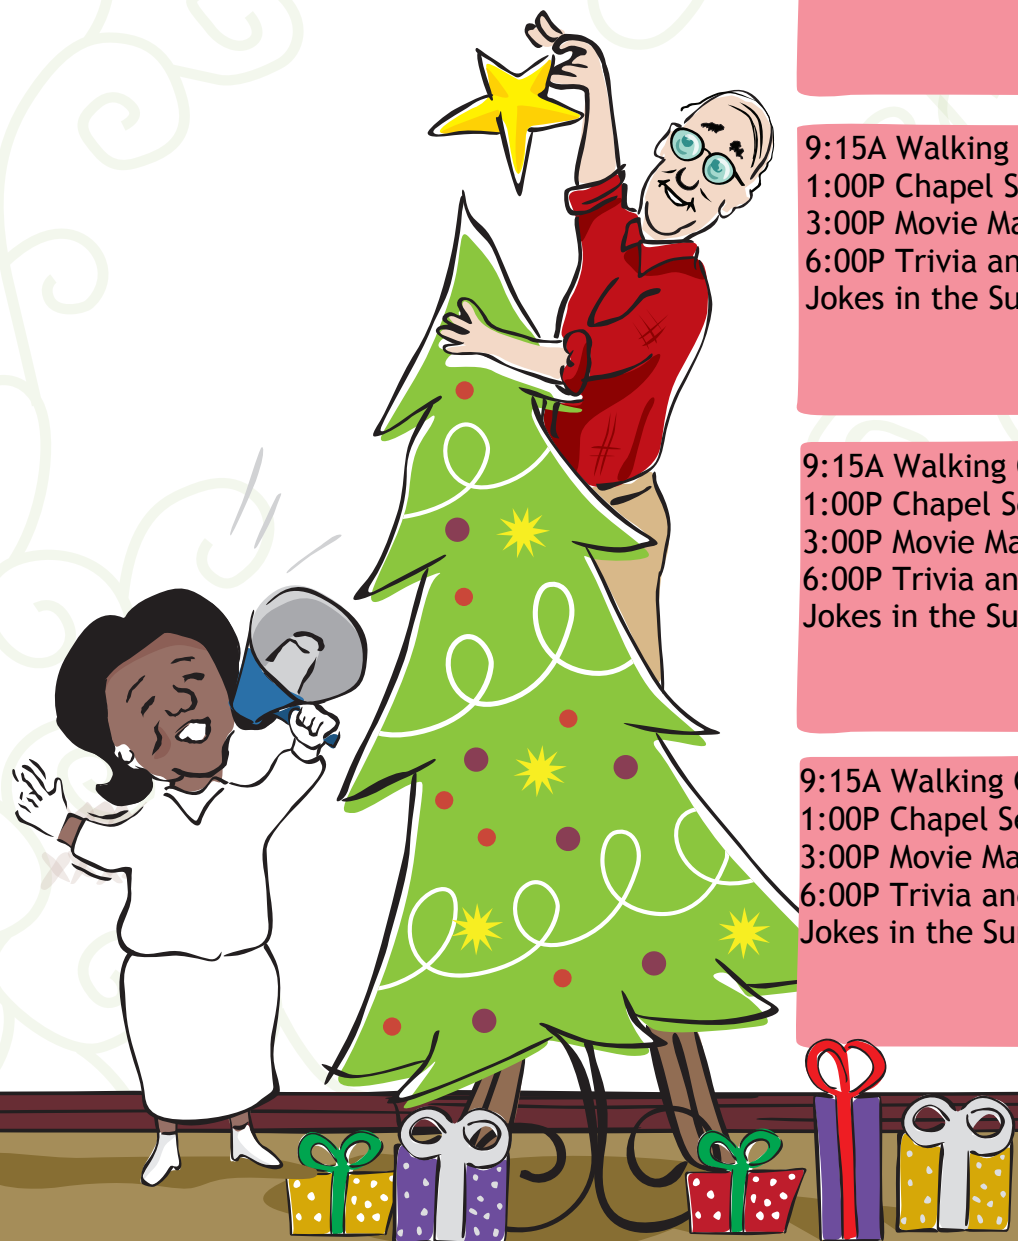

-Want to know a useful way to recycle your Christmas tree? Some zoos take donated Christmas trees and use them as food for the animals.

-Almost **28 sets of LEGO** are sold every second during the Christmas season.

*The Blessing of Peace,
The Beauty of Hope,
The Spirit of Love,
The Comfort of Faith,*

May this be your gifts this
