Happy Birthday to the both of you.

Welcome:

- *Gloria Stensland
- *Elden Lanning

We are so happy to have you join our Bickford Family.

Some of our residents relaxing by the Christmas tree they decorated.

To the heart of the matter....

Happy 2019 from all of us here at Bickford of Fort Dodge! In 2019 we will be striving for enriching happiness. What this mean for you is, we want to know how we are doing. Each month we will be sending out happiness checks via text messages for family and friends, and also will be visiting with the residents in the branch as well. If you caught a BFM enriching happiness, or going above and beyond for your loved one, please feel free to add a note to our Bickford tree by the entrance to our sunroom. Simply grab

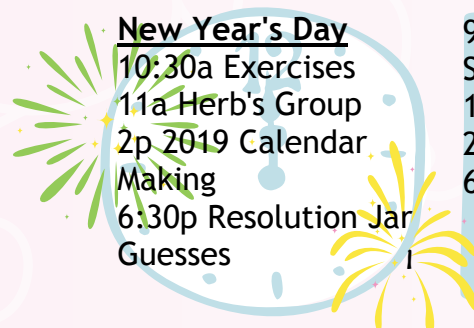

a leaf from the wall, and write a note to the BFM that was involved. We look at all of the feedback and use them in our daily stand up meetings, or Monthly inservices, as well as they help us highlight from YOUR perspective on the BFM's quarterly evaluation. Please consider using these areas to give SHOUT OUTS to those that you feel deserve them! I want to thank you with all of my heart for sharing your lives with us. Each and every family, friend and resident is a blessing to us! -Lori
