

Join us for our New Year Celebration!

We are going to gather in the living room tonight at 7:00 PM.

We have finger foods, and beverages being served, we will have places to sit and gather, chat and enjoy each others company.

We will have some of the New Years Celebrations set up on the TV in the living room if you want to watch that with your neighbors.

We will have a champagne toast at 8:00 PM.

We hope to see everyone in the living room and help ring in the new year together!
