

Congratulations to our Assistant Director Jeni Wood who was nominated as a finalist in the category of AD/CRD for Bickford Senior Living. Winners of each category will be selected at the Pearl's Ceremony at the upcoming family reunion held in Kansas City. Thank you to all of the families and residents who participated in the interviews to create Jeni's video that will also be shown at family reunion!

Marshalltown HAPPENINGS

FEBRUARY

Love is in the air!

Teachers receive the most Valentine's Day cards, followed by kids, mothers, wives and girlfriends.

Every year, more than 36 million boxes of heart shaped candy will be sold!

Hallmark was one of the first to mass produce a Valentine's Day card, all the way back to 1913.

The average man spends \$130 on Valentine's Day, while women spend \$70.

It is estimated that the U.S. alone will spend \$3.3 billion dollars on flowers for loved ones.

9 million people will buy their pets a gift for Valentine's Day.

The most likely flower to be purchased? Red roses of course!

February 14th is the second largest card giving day of the year, just after Christmas.

18% of women send flowers to themselves!

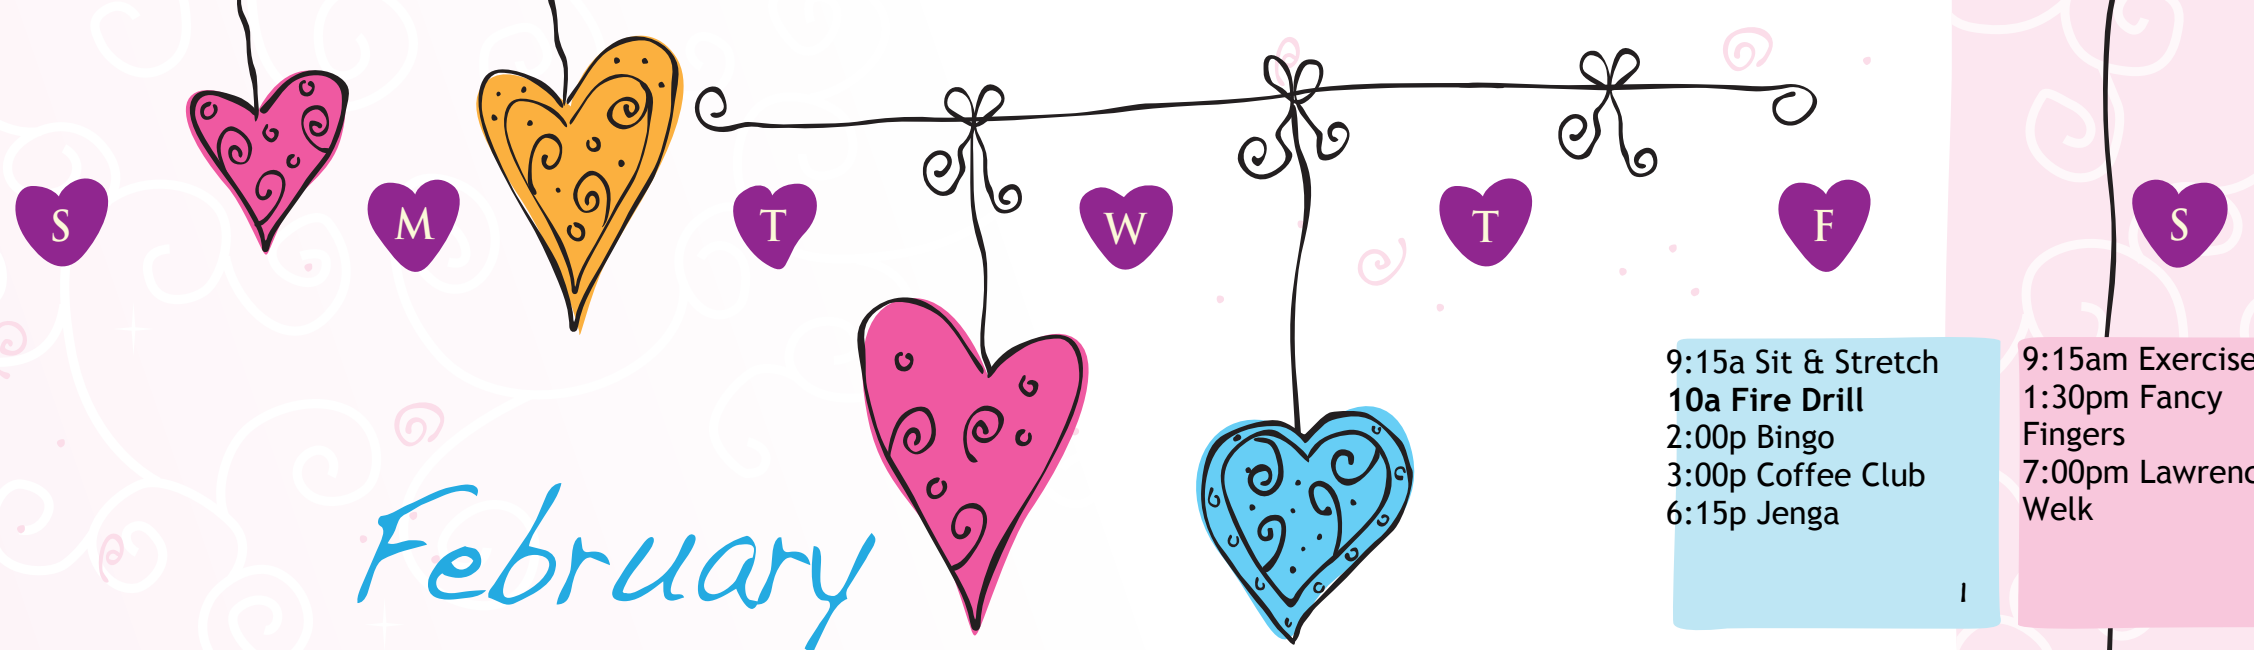

We enjoyed some social time with Chaplain Larry on hat day! Larry now leads our Tuesday bible study, men's club and Sunday night chapel service.

Cool winter months are perfect for quilt making! Shown here are Darlene, Dona Jean and Maggie helping LEC Amy piece colorful fleece together for one of their wonderful creations!
