

Polly's Fresh Cranberry Salad

CREATING MOMENTS OF HAPPINESS
Bickford

Polly's Fresh Cranberry Salad

Ingredients: 1 bag fresh cranberries, 1 can(20oz.) crushed pineapple, 1/8-1/4 cup sugar, 1/2bag kraft miniature marshmallows, 1 to 2 small tubs of light cool wip.

(This recipe can easily be doubled to serve more people) As it would serve 15 people plus.

Directions: The day or night before your dinner, wash and rinse the cranberries in cold water. Grind the cranberries using a hand grinder(our favorite) or an electric food processor. Next, open and drain the juice from the can of pineapple and add sugar to the cranberries and stir. Cover and refrigerate overnight to marinate. Later or the next day, add the marshmallows and cool whip to the cold cranberry mixture and stir well. Recover the bowl and refrigerate until ready to serve. You can add some pizzazz to the top of the salad using mini marshmallows or other fruit. You will enjoy this refreshing tasty salad & might make it an annual salad to look forward to for years to come. **ENJOY!**

Grand Island HAPPENINGS

FEBRUARY

ENRICHING HAPPINESS IS WHAT IT'S ALL ABOUT

Grandma's Lil' Girl

Grandma, I was thinking of you today and a smile tickled my face.

Remembering all the things you taught me, like always to say grace.

I remember sitting in your lap while you read the Bible out loud,

To hear me sing a gospel song made you so proud.

I thought of those Saturday mornings I watched them fix your hair,

I remember crossing the street and hearing GIRL, YOU BETTER STOP RIGHT THERE!!!

I remember the goodness you instilled in me though sometimes it doesn't show,

You played a very special part in my life and I thought that you should know....

My childhood is filled with memories of you that you couldn't buy with all the gold in the world,

And even though I am all grown up, at heart I will always be GRANDMA'S LIL' GIRL!!!
