

Welcome to Bickford - Our New Nurse Coordinator Barbara Pirc!

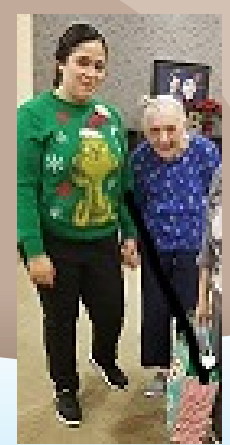

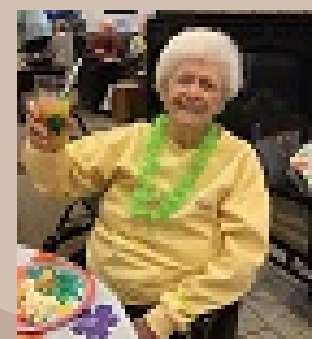

Hello Everyone, I would like to introduce myself to all of you. I am happily married for 40 years. I have 4 wonderful children (Amanda, Johnathon, Tim and Alycia). I am also a proud Grandmother of 6 grandchildren and one grandchild on the way. I am a nurse since 1992. Specializing in Geriatrics, Long Term Care and Skilled Care. I chose to work for Bickford Assisted Living & Memory Care because I wanted a home-like environment where I feel like I can make a difference. My door is always open- please bring any concerns as they happen. I can't fix the problems if I don't know about your concerns.

Happiness in our Home

Welcome to Bickford

I would like to welcome our New Assistant Director to our home!!

My name is Julie Brewer. I was born and raised in Joliet, and now live in Shorewood with my husband and two daughters.

In my free time, I enjoy cooking and I love the outdoors. I have worked in this field my entire career, and am very excited to get to know everyone here at Bickford!

Baby It's Cold Outside! Warm up and join us in making fleece blankets. Heartland Hospice will be here February 11th at 9:30am in Mary B's and 10:30am on our Assisted Living side in our community. Heartland delivers comfort blankets to veterans and patients who are in hospice care. We look forward to seeing you!
