- 2 lbs of potatoes (peeled and quartered)
- 2 large carrots
- 1 small head of cabbage

3. Cook on low 8-10 hours.
4. After the initial 3 hours, add potatoes and carrots to the slow cooker.
5. Two hours before serving, add cabbage wedges to the slow cooker.
6. Remove corned beef and let rest 15 minutes before slicing. Serve with potatoes, carrots and cabbage.

Instructions:

2. Pour water into slow cooker until it just about covers the corned beef. Add garlic and bay leaves.

The Irish consume an average 131.1 liters of beer per year-the 2nd highest per-capita consumption after the Czech Republic. Famous Irish breweries include Guinness, Smithwicks and Harp Lager.

Legend says that each leaf of the clover has a meaning: Hope, Faith, Love and Luck.

1962 marked the first time that Chicago dyed their river green for St. Patrick's Day.

The three most famous symbols of Ireland are the green shamrock, the harp and the Celtic cross.

The first St. Patrick's Day celebration in the United States was held in Boston (1737).

The nickname of Ireland is "The Emerald Isle." The nickname comes from the large amounts of green grasses and rolling hills that can be seen all over the country. The green fields are due to the moist air and temperate climate.
