

Special friendships are made during meals throughout the days. Jane has made an impact with her fellow dining residents. Jane who only came to stay with us for a few months will be returning to her family in the beginning of March. John, Ron and Gordon are already missing her. They have invited Jane to return for frequent visits.

Hello Everyone

Warmer weather and longer days are right around the corner. Funny how after cold days of winter, a simple act of turning the clocks forward and the idea of a "longer" day makes one giddy. Warmer weather also means we will be spending more days outside in our beautiful courtyard and front patio. We will be going on more trips and restaurant outings. Families are welcome to join us on any trips we will be taking.

Warmer weather will be bringing your great/grandchildren to visit and meet your friends. We are looking ahead to family barbecues and just sitting on the patio sipping lemonade and reminiscing about the good old days. Welcome all our new residents Hermina & Ralph, Elsebeth, Debbie, Joan, Teri and Joseph to Bickford. A home full of good friends, laughter, joy, contentment and care. A home full of love and memories to share.
