

# Chesterfield HAPPENINGS.

APRIL

*Happy April from Mary B's!*

We would like to extend a warm welcome to our new Mary B's residents, John M. & Margaret K! For April, I will be making more Montessori "Dementiability" activities available to residents, especially for residents who may not be directly involved in a group or other cuetivity at that time. These life skill stations will include signs inviting them to participate in tasks such as sorting/organizing, folding, fixing, etc. Our lunch out will be on Friday, 04/19, to Peking in Midlothian. We would love as many family members/friends to join us as possible. Please RSVP to Heather so we may plan accordingly.

This month, Heather's son, Daniel, is performing a Community Service project as part of his Tae Kwon Do Black Belt testing. He has chosen to help beautify our courtyard. He will be pulling weeds, planting flowers, sweeping, and anything else that will bring beauty and color for our residents. Although he will be doing much of the "man-power" (as much as an 8 yr old can do), he will also be inviting residents to assist in as much as they can/would like. We are so excited for the warmer weather on the horizon and we will be getting as much fresh air & sunshine as possible!
