

At Bickford, your happiness is our measure of success. We believe that the path to happiness is found in meeting our residents core needs. In order to understand whether or not we are achieving this objective, we rely on consistent feedback. We do this in a variety of ways. Monthly resident council meetings, monthly resident happiness postcards, an annual multi-question survey and our one question survey that we send to families via text message. Your participation in these surveys provides us the feedback to ensure that our efforts are improving. If you are not already signed up to receive the happiness text, please contact Pam or Jennifer to have your name and number added.
Thank you, Pam
