News You Can Use

Hello Everyone!

We will go to the Garlic Press on May 17th and a scenic drive on May 31st. Sign up sheets will be out in the living room! Michael Garret will entertain us on 5/3 followed by Tiffany on 5/8, Dale Martel on 5/21, and Jerry Vernon on 5/22.

May is here which means warmer weather is heading our way. We have some new activities scheduled this month so please attend and let us know what you think! The memory and family photo share are an opportunity for us to get to know you better and for you to share some of your fondest memories. Chair dancing is new and will be a chance to get some exercise through music and props! We also will have some outings this month!

Please let us know if you would like to see something added to the calendar or if you have an idea for an outing!

Now onward to warm weather!!
