Our New Director!

the homeopaths increase their presence in an allopathic a predominately community. I have one child, a daughter whos 17, and a dog that is half mastiff and half lab. Fall is my favorite season. I love learning all things, formal education or learning something new from someone else. Praise and Worship, Jazz and Alternative/Indie are my favorite kinds of music.

Hello my name is Marie and I am the new director for Bickford of Okemos. I grew up in Lansing. I love helping others and am very passionate about helping
