Happiness is....

Welcome to the month of May 2019! Time is sure flying by this year. I hope that this year has found you lots of joy and Happiness.

When we think about it, what is happiness? At Bickford of Fort Dodge our moto is *whatever it takes!* We know that this is more than just words on a page, but a way of life. Our BFM's strive everyday to follow this moto.

Over the next coming weeks, our Life Enrichment Coordinator, Cassandra may be

asking you about whatever it takes for your loved one.

We are building our background of all who live in our home, to better serve. The simple questions such as, a special memory that we can talk about will do so much for your mom or dad.

The little things mean so much, and we hope to grow stronger in our ability to care and be a continued leader in the care of our internal family.
